MOOD:  grumpy

Body wash in Ocean Breeze. Deodorant in Ocean Fresh.  
Shampoo in Sea Spray.

Do the people who name these smells live in Idaho or something?

The ocean smells like *salt and dead fish*. Which is not wrong for an ocean, but it's a terrible idea for armpits, for God's sake.

And I am clearly not getting any chowder tonight. Boooo.

## Thank you

This is Patricia Andreoli, wife of Daphne Worth, who you all knew as Trollcatz. Daphne died

## ...And there goes the weekend

But hey, we got a day and a half of this one! And I got to sleep in for two whole mornings. Too bad

Check your hotel fridge when you get back.

Oyster crackers on the shelf by the TV.

Yooouuuu just remember this the next time you're moved to compare me to a reptile.

Or an amphibian.

Or any sort of herptile at all, really.

Now that's *expensive* chowder. \*g\*

P.S.--Mom needs a food journal. She skipped dinner tonight (again). I tried to lure her with half the chowder, but no go.

Oh, shit--so they are. Gee, the familiar taste of my own foot...

I still worry about her skipping meals on the road.

OMG, me? Worrying? Wow, who'da thunk it? :P

Man, it's a hard life. I couldn't live it.

Mom is mom. She'll eat because she needs her strength to watch us.
